Objective of IQAC:

- To develop a quality system for consistent and constructive action to improve the academic and administrative performance of the Institute.
- To promote measures for institutional functioning towards quality enhancement through internalization of quality culture and institutionalization of best practices.

IQAC Functions:

- Development of quality benchmarks/parameters for the various academic and administrative activities of the Institute
- Facilitating the creation of a learner-centric environment for quality education and teaching and learning process.
- Arrangement for feedback responses from students, parents and other stakeholders on quality related institutional processes.
- Planning and organization of Workshops, Seminars, Expert Talk on quality related themes and promotion of quality measures.
- Acting as a nodal agency of the Institute for coordinating quality-related activities, including adoption and dissemination of good practices.

Plan of Action:

- To conduct the meeting at the beginning of each semester (Twice in a year)
- To develop a monitoring system for quality assurance of the policies

Principal
