Dated: 07-08-2025

To,

**The Principal**  
**Government Engineering college, Patan.**

**Subject: Collaboration under the *Sanchar Mitra Scheme* of Department of Telecommunications, Government of India – reg.**

Dear Sir/Madam,

This is with reference to your communication vide email dated 28 July 2025, expressing interest in collaborating under the *Sanchar Mitra Scheme* launched by the Department of Telecommunications (DoT), Government of India.

We are pleased to confirm the collaboration between the Department and Government Engineering college, Patan, under the jurisdiction of Gujarat LSA for the implementation of the Sanchar Mitra Scheme. The following students have been nominated to participate in the program as *Sanchar Mitras*:

1. Joshi Parv Kashyap
2. Dave Ishika Nileshbhai

We are also pleased to note that Dr. Haresh Judal, Asst. Professor has consented to act as the institutional nodal officer for this initiative. The engagement shall be effective from 07.08.2025 for a period of **one year**.

#### **1. Responsibilities of Sanchar Mitras:**

As part of this scheme, the selected student volunteers will undertake the following activities:

- a. Conduct awareness campaigns in communities, educational institutions, and public spaces on key telecom-related subjects including:
  - o Citizen-centric telecom services
  - o Mobile security and prevention of telecom frauds
  - o Reporting mechanisms for spam and malicious activities
  - o Promotion of Telecom literacy and responsible usage

1st Floor, P & T Administrative Building, Khanpur, Ahmedabad, Gujarat-380001.  
प्रथम तल, पी एंड डी प्रशासनिक भवन, खानपुर, अहमदाबाद, गुजरात-380001.

- EMF radiation myths, amateur radio operations, and community radio initiatives

These activities are designed to enhance public awareness, promote digital safety, and foster responsible telecom usage

- a. Support various ongoing initiatives of the Department of Telecommunications.
- b. Collaborate with NGOs, village-level entrepreneurs, and community groups to enhance grassroots digital outreach.
- c. Stay regularly updated on government policies and recent developments in the telecom sector through engagement with LSA officers.

## **2. Expected Outcomes:**

The Sanchar Mitra scheme is expected to yield significant benefits for both the telecom ecosystem and citizens, including:

- a. Improved Public Awareness: Citizens will have better knowledge about telecom fraud prevention, mobile security, and digital literacy.
- b. Stronger Industry-Academia Collaboration: Enhanced partnerships between educational institutions and the telecom sector.
- c. Development of Skilled Talent: A new generation of telecom professionals equipped with hands-on experience in real-world applications.
- d. Cybersecurity Strengthening: Improved digital security measures and public awareness to mitigate fraud and cyber threats.
- e. Grassroots Digital Inclusion: Increased outreach at village and community levels to bridge the digital divide.

## **3. Incentives:**

- a. Volunteer shall not be entitled for any monetary benefit.
- b. All students who complete their term will receive a formal Certificate of Participation from DoT.
- c. Top performing Sanchar Mitras have access to some additional incentives including training, participation in research project, paper writing, etc on best effort basis and can participate in more advance activities.

A handwritten signature in blue ink, appearing to read "Sanchar Mitra".

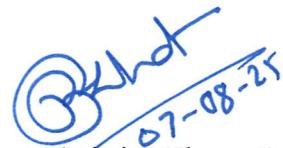

#### **4. Terms & Conditions:**

This is a purely volunteer-driven initiative, and participants shall not claim any commercial benefits. Further, they will be adhering to the following.

- a. Participants must not use the program's name for personal gain.
- b. Unauthorized public statements or social media posts in the name of the Ministry or the program are strictly forbidden.
- c. Creation of independent social media accounts related to the program is not permitted.
- d. Participants must maintain confidentiality regarding any information or tasks assigned.
- e. Sharing program-related materials without prior approval from the State Nodal Officer is prohibited
- f. All participants must furnish accurate personal information.

We look forward to welcoming these students as '**Sanchar Mitra**' volunteer and are confident that they will make a very important contribution to this scheme and development in India.

Sh Sundeep Meena, ADET, (Mo-9402118266) would be the nodal point from DoT side for the purpose of guide and support you throughout your tenure as a Sanchar Mitra.

(Bipin Khot, ITS)  
Director (Technology)  
Dept. of Telecom, Gujarat.

To,

**The Principal
