Report on Awareness of MOOC Sensitization and Registration

Government Engineering College, Patan

Government Engineering College, Patan organized an **Awareness Program on MOOC Sensitization and Registration** to create awareness among students about **Massive Open Online Courses (MOOCs)** offered by **Gujarat Technological University (GTU)** through **SWAYAM/NPTEL** platforms.

The main objective of this initiative was to guide students regarding the concept of MOOCs, their academic and career importance, and the registration procedure. The sessions aimed to motivate students to enroll in MOOCs as recommended by GTU and to avoid common mistakes during registration.

Objectives of the Program:

- To introduce students to MOOCs
- To explain the importance of MOOCs in academics and career development
- To highlight why MOOCs are recommended by GTU
- To guide students through the registration process and deadlines
- To make students aware of common mistakes during MOOC registration

The awareness sessions were conducted department-wise from **19 January 2026 to 22 January 2026** in different seminar halls of the institute. The sessions were coordinated by **Dr. H. L. Judal** along with respective departmental faculty members.

Department-wise Session Details:

Sr. No.	Department	Date	Time	Venue	Coordinated By	No. of Students Participated
1	E & C Engineering	19-01-2026	11:00 AM to 12:30 PM	Seminar Hall, E&C Department	Dr. H. L. Judal Prof. R. A. Chaudhari	55
2	Electrical Engineering	20-01-2026	11:00 AM to 12:30 PM	Seminar Hall, Electrical Department	Dr. H. L. Judal Prof. S. G. Prajapati	30
3	Computer Engineering	21-01-2026	02:00 PM to 03:00 PM	Seminar Hall, Computer Department	Dr. H. L. Judal Prof. Mitul Patel Prof. Viral Pansiniya	85
4	Mechanical Engineering	22-01-2026	11:30 AM to 12:30 PM	Seminar Hall, Civil Department	Dr. H. L. Judal Prof. Narendrasinh Makvana	21
5	Civil Engineering	22-01-2026	11:30 AM to 12:30 PM	Seminar Hall, Civil Department	Dr. H. L. Judal Prof. V. D. Patel	32

Outcome of the Program:

A total of **223 students** participated in the awareness sessions. The program successfully enhanced students' understanding of MOOCs and encouraged them to register for relevant SWAYAM/NPTEL courses as per GTU guidelines. Students actively interacted during the sessions and clarified their doubts regarding course selection and registration.

Conclusion:

The MOOC Sensitization and Registration Awareness Program was successfully conducted and proved to be beneficial in promoting online learning culture among students. The initiative supported GTU's vision of integrating MOOCs into the academic framework and enhancing students' employability and skill development.
