

Report on NPTEL/SWAYAM Jan–April 2026 Course Results

The **NPTEL/SWAYAM Jan–April 2026** course results reflect the enthusiastic participation and commendable performance of students from **Government Engineering College, Patan** in online learning initiatives. A total of **111 students** registered for various NPTEL/SWAYAM courses offered during the January–April 2026 semester.

Out of the registered students, **95 students (85.59%)** successfully earned certificates, demonstrating a high success rate and a strong commitment towards enhancing their technical knowledge and professional skills through MOOCs. The category-wise performance is summarized below:

Certificate Category	No. of Students
Elite + Gold	9
Elite + Silver	33
Elite	38
Successfully Completed	15
No Certificate	16
Total Registered	111

The institute is proud of the outstanding achievements of its students. The highest scorers in the Jan–Apr 2026 session are:

- **Kanjariya Shyam Hiteshbhai (Computer Engineering) – 97 Marks**
- **Singh Niraj Tejnarayan (Computer Engineering) – 97 Marks**
- **Panchal Krishna Alpeshkumar (Civil Engineering) – 94 Marks**
- **Patel Yashraj Dinkar (Computer Engineering) – 93 Marks**

NPTEL Star Recognition (NPTEL Believers)

Adding to the institute's achievements, **two students** earned the prestigious **NPTEL Believer** recognition during the **Jan–Apr 2026** session. This honour, conferred by **NPTEL, IIT Madras**, is awarded to students who appear in **4–7 NPTEL examinations** in a semester and successfully pass **at least four** courses, reflecting exceptional dedication towards continuous learning.

The **NPTEL Believer** awardees are:

- **Bumtariya Chaitany (Computer Engineering)**
- **Thakor Falguni Manojkumar (Computer Engineering)**

The outstanding certification performance, along with the prestigious **NPTEL Believer** recognitions, reflects the institute's commitment to promoting quality online education, skill development, and lifelong learning. The institute congratulates all successful students and appreciates the dedicated efforts of faculty coordinators and mentors in motivating students to actively participate in NPTEL/SWAYAM courses. The encouraging results of the **Jan–Apr 2026** session are expected to inspire even greater student participation and excellence in future NPTEL/SWAYAM offerings.
