

MEMORANDUM OF UNDERSTANDING
BETWEEN

ELECTRONICS & COMMUNICATION ENGINEERING DEPARTMENT,
GOVERNMENT ENGINEERING COLLEGE, PATAN, GUJARAT-384265

And

UNITED INSTRUMENT SERVICES, VADODARA, GUJARAT-390010

This MEMORANDUM OF UNDERSTANDING (MoU) is entered into on this 08th day of May, 2026, between the Electronics & Communication (EC) Engineering Department, Government Engineering College (GEC), Patan, an institution managed by the Directorate of Technical Education, Government of Gujarat (hereinafter referred to as the "Party of the First Part"), and United Instruments, Vadodara, an industrial entity (hereinafter referred to as the "Party of the Second Part").

1. Background of Organizations:

- **GEC-Patan:** Established by the Government of Gujarat, the college is affiliated with Gujarat Technological University (GTU) and approved by AICTE, offering degree UG courses in 05 various fields of engineering.
- **United Instruments Services:** An industry leader based in Vadodara, specializing in instrumentation and industrial solutions.

2. Objectives:

In accordance with a mutual desire to promote greater interaction between industry and academics in the field of Electronics and Communication (EC) Engineering, both parties agree to work together to achieve the following objectives:

- **Internships:** Providing industrial internship opportunities at United Instruments and the subsequent certification of the work completed by the students.
- **Final Year Projects:** Helping students decide upon, define, and parameterize their Final Year project problems in consultation with United Instruments.
- **Mentorship:** Providing industrial mentoring to students during the execution of their projects.

- **Industrial Visits:** Facilitate visits of students and faculty members to promote interaction between the students and the professionals in United Instruments for technical knowledge exposure.
- **Equipment & Functionality:** Enabling students to learn the functions of various industrial instruments, the necessity of calibration, and the technical processes involved through regular contact between United Instruments and the faculty/students of GEC-Patan.
- **Resource Sharing:** Sharing of institutional and industrial infrastructure for research and development purposes with faculty members and students.
- **Knowledge Exchange:** Invitation and participation of both organizations in seminars, workshops, STTP, and Expert Talks organized by either party.
- **Faculty Industrial Training:** Providing industrial training opportunities for faculty members to enhance practical exposure and industry interaction.

3. General Provisions:

- **Scope Extension:** Cooperation may extend to any other fields or subjects in which GEC-Patan and United Instruments identify shared interests.
- **Validity:** This MoU is initially valid for a period of two years and is extendable thereafter upon mutual agreement.
- **Confidentiality:** All information provided by the industry or the academic institution relating to this MoU shall be treated as confidential, and sharing shall be done strictly on a bilateral basis.
