

Government Engineering College, Patan
Electronics & Communication Engineering Department
Event Report

Title	1st Year Orientation Program 2026
Date and Time	01/07/2026 (Wednesday), 10:30 AM to 12:30 PM
Mode of Conduct	Offline
Venue	Government Engineering College, Patan
Coordinator	Dr. M. B. Patel
Organized By	Electronics & Communication Engineering Department
Objective	To familiarize newly admitted students and parents with the institute, curriculum, facilities, examination system and student support services.
Description	The department organized the First Year Orientation Program for newly admitted students and their parents. The session covered institute facilities, first semester curriculum, GTU regulations, attendance requirements, scholarship schemes, hostel facilities, student support services and important academic resources. Faculty members interacted with students and parents, answered queries and motivated students to actively participate in academic and co-curricular activities.
Participants	First Year students and parents
Outcomes	Students gained awareness of institute rules, curriculum, facilities and support services. Parents understood academic expectations. The session motivated students to begin their engineering education with confidence.
Conclusion	The program successfully introduced students to the academic environment and strengthened the connection between students, parents and the department.
