EVENT REPORT

Title	Expert Lecture on Guru Purnima 2025
Date and Time	10/07/2025
Mode of Conduct	Offline Mode
Venue	Government Engineering College, Patan
Expert Details	Dr. M. B. Patel, Assistant Professor, Electronics & Communication Engineering Department, GEC Patan
Organized By	Electronics & Communication Engineering Department
Objective	• To highlight the significance of Guru Purnima in Indian culture. • To inspire students to respect teachers, mentors and lifelong learning. • To motivate students towards discipline, ethics and professional values. • To emphasize the role of guidance in academic and personal development.
Description	The Electronics & Communication Engineering Department organized an Expert Lecture on the occasion of Guru Purnima on 10 July 2025. The lecture was delivered by Dr. M. B. Patel, Assistant Professor, EC Department. He explained the historical and cultural importance of Guru Purnima, the invaluable role of teachers in shaping students' lives, and the importance of dedication, discipline, ethics and continuous learning for becoming successful engineers. Students actively participated in the session and interacted with the speaker.
Participants	Students and Faculty Members of Government Engineering College, Patan
Outcomes	• Students understood the significance of Guru Purnima. • Students were motivated to respect teachers and mentors. • Awareness regarding ethics, discipline and lifelong learning was enhanced. • The lecture inspired students to pursue academic excellence with dedication.
Conclusion	The expert lecture was successfully organized and received an enthusiastic response. It reinforced the values of respect, gratitude, ethics and lifelong learning among students while strengthening the teacher-student relationship.
